

Graffiti Removal Service

What is graffiti?

Writing or drawings made on a wall or other surface, usually without permission and within public view

Unsightly, offensive and unwanted graffiti can be removed by us safely with biodegradable, REACH compliant products.

Art?

Vandalism?

We use products which can remove graffiti from every kind of surface:

- porous
- non-porous
- sensitive
- heritage (e.g. sandstone)

We can also clean graffiti off :

- perspex
- signs
- playground equipment

The products we use are:
biodegradable
environmentally sustainable
REACH compliant

which means we have :
less reliance on
pressure jet washing and
less use of abrasives
